The map illustrates the urban and transportation network of the Maebashi region. Key features include:

- Roads:** National Route 1 (Tochigi Expressway) running north-south, and National Route 230 (Maebashi Bypass) running east-west.
- Railways:** Major stations like Maebashi Station (JR Maebashi), Utsunomiya Station, and Maebashi Station (Keisei).
- Water Bodies:** Arakawa River flowing through the city, and Lake Sagami to the south.
- Landmarks:** Maebashi Station, Maebashi City Hall, and various commercial centers.
- Legend:** Symbols for roads (solid lines), railways (dashed lines), water (blue areas), and other geographical features.
